MASTER IN NURSING (MSN)
TWO YEARS PROGRAMME

KMU believes in developing a multi-dimensional comprehensive health care approach encompassing all the four elements of health i.e. prevention, promotion, curative intervention and rehabilitation. We aspire to include a health care team approach at all levels of health care delivery system in order to provide a comprehensive health care coverage to the people. KMU identified the gaps in the existing health care delivery system and started to bridge these gaps in order to improve the system. In this context nursing profession is a very important component of health care system which has been so far severely neglected.

In 2009 KMU started BSc Nursing 4 years generic and BSc Post RN 2 years programmes. So far 3 batches of Post RN and one batch of BSN 4 years have qualified. Now KMU has decided to start 2 years MSN programme from February 2014. This programme is intended to provide opportunities to nursing professionals of Khyber Pakhtunkhwa to improve their qualification and expertise who would otherwise had to travel outside the province.
