The ACHC Annual Meeting 2016 will showcase the latest basic, translational and clinical cancer and hematology research. It will bring together researchers and clinicians to share ideas and develop collaborations. This meeting will highlight the latest and more exciting discoveries in different areas of cancer and haematology research. In addition, it will provide a unique opportunity for researchers and clinicians to meet, interact, and share ideas. The meeting theme will be “Translation of Cancer and Hematology Research-from Bench to Bed-side”.

**Conference Date and Venue**

January 30, 31 2016, at Khyber Medical University, Peshawar, Pakistan

**Registration & Abstracts**

- Registration Fee=1000 PKR
- Workshop Fee=2000 PKR

- Abstract Submission Deadline is 10 JAN 2016

**Supporter and Exhibitors**

- Email If You Want to Support
- Pharmaceutical Companies have the Opportunity of Exhibition
- For Exhibition Booth Fee contact (Email: draliasif7@gmail.com)

**Presentation on 31 January 2016**

- Plenary Sessions on a variety of research topics in the both the Cancer and Haematology Tracks.
- Free Oral Presentations of selected abstracts
- Poster Sessions

**Workshops 30 January 2016**

1. Pre-natal diagnosis of genetic abnormalities
   Maj. Gen. (Retd) Suhair Ahmed, AFIP
2. Polymerase Chain Reaction
   Professor Jawad Ahmed, KMU
3. Immunohistochemistry
   Professor Shahid Pervaiz, AKUH
4. Flow Cytometry
   Dr Asad Hayat Ahmad, SKMCH & RC
5. Enzyme Linked Immunosorbent Assays
   Dr Ahmad Rafiq, KMC
6. Systematic Review and Meta-analysis
   Dr Zia U-Haq, KMU
7. Biostatistics with SPSS
   Dr Asif Ali, KMU
8. Employability and transferable skills
   Dr Yasar Mehmoon Yousafzai, KMU
9. Transfusion Medicine
   Miss Arshi Naz, NIBD
10. Next Generation Sequencing
    Dr Johar Ali, RMI
